Read aloudQueenie Walters

My name is Queenie Walters and my husband is Larry Wilson. We are old so we are retired. We have lots of wrinkles.

We love to go on holiday to Phillip Island. I write lots of letters to my friends. When we go to the island next week, we plan to eat fried fish fillets with lemons, carrots and lollies. We worry about strong currents when we swim at Phillip Island. Last holiday I caught eleven fish and so did Larry. We caught an equal number – twenty-two.

We also plan to catch a ferry from Phillip Island to Point Lonsdale. We drove there last July and got very lost. Also, I broke my wrist. So Larry had to carry all the shopping for eleven days.
