- Narrator** Podcast 9, a job interview part 2.
Emina runs into Nick who's having his interview at Tiamo Bar that afternoon.
- Nick** Hi Emina.
- Emina** Hi Nick, how are things?
- Nick** Great! Guess what...I've got an interview this afternoon for 5 o'clock, at the Tiamo Bar.
- Emina** Really? Where is it?
- Nick** You know, in the Food Hall in the city.
- Emina** Great. You'll have time to go home and change after school.
- Nick** Oh, that's OK. They're pretty relaxed down there. They won't expect me to dress up.
- Emina** You sure? Tom says to look your best for a job interview.
- Nick** This place is different. It's really laid-back.
- Emina** OK. If you say so. So, what questions do you think they'll ask?
- Nick** Ahh... not sure, but I'll be fine.
- Emina** Have you got some questions ready to ask them?
- Nick** Ohhh... I'll be spontaneous.
- Emina** But Marie said being prepared is half the battle Nick.
- Nick** Look, it's only a few hours a week. No big deal. I'll be fine.
- Emina** Well, good luck.
- Nick** Ta. Catch ya later.
-
- Nick** Ah, hi. Is Harry in? I've come for a job interview.
- Bar attendant** I'll tell him you're here. Who will I say is waiting?
- Nick** Nick. I had an appointment for 5.
- Bar attendant** Oh Nick. Actually, Harry waited till quarter past, then he had to step out for a few minutes. He asked if you could wait.
- Nick** Yeah, I was at the wrong end of the Food Hall. I got confused with the numbers.
- Bar attendant** He should be back soon.
- Harry** Hi, Nick is it? I'm Harry.
- Nick** Hi Harry. Sorry I'm late, I ah mm... I was at the other end...
- Harry** That's OK. Let's go into the kitchen. We can sit down there... ah... and go over a few things.
- Nick** Sure.
- Harry** So Nick... it wasn't clear on your *resume*... you've done the Food Handlers course?

- Nick** Well, I've *enrolled*, but I haven't actually done it yet. There's a waiting list, so I'll be doing it in a few weeks.
- Harry** Ah ha... and your RSA? Responsible Serving of Alcohol certificate? You've got that of course?
- Nick** Well, um, I could do that at the same time. I could have them both done in a few weeks!
- Harry** Nick, I can't legally employ you till you have the piece of paper, and I need someone to start ASAP.
- Nick** Ohh. This is bad luck... coz I really need a job.
- Harry** Look, come back in when you get the certificates and see if we need anyone then.
- Nick** Thanks Harry. Will do. Oh, by the way, what's the salary for kitchen hands and bar attendants here?
- Harry** Well, the rate changes depending on a few different things. We usually talk about rates of pay when you get the job.
- Nick** Right. OK then. Thanks for your time. I'll call or drop by when I've finished the courses.
- Harry** Sure.
- Nick** Thanks Harry. Bye.
-
- Harry** That was a waste of time.
- Bar attendant** Really?
- Harry** He doesn't even have his RSA certificate, not to mention how scruffy he looked.
